Number of facts and arguments. One example not enough, you can not reveal the topic; five too much, overload, because the essay "small genre".

The loss of the main thread of reasoning, a weak relationship between the parts of the essay.

I will focus on the tips for writing a work on social studies:

Observe the ratio of introduction (20%), main part (60%) and conclusion (20%). In the introduction is given the designation, problems, actuality, his own position: the agreement (disagreement) with the author's statement. After presenting his case, go to the main part where you present the facts and arguments with justification.

Remember and write down in draft social science terms on the topic, use them correctly in the text. Use clichés. "I can't join this statement and I will try to prove the position...", "we will illustrate this statement with examples", "the Author touches upon an actual problem..." etc.

Apply a dash, the most "modern" punctuation mark, which makes a dosed emotionality.

- Make sentences simple and short.
- Draw conclusions in conclusion.

Secondly, choose the author who will be engaged in writing your article. To do this is simple: each subject has its own writers and each of them has its own rating, consisting of customer reviews (1-5 stars). Remember that the authors can also write reviews on the interaction with customers and describe all the details of working with you, so write only the truth.

Thirdly, when an agreement with the author is reached, the process of writing an essay begins. With the author, the student can easily communicate in the chat service, making their edits and adjustments.

Fourth, after the final approval of the work it is necessary to pay. Agree, captivates that the service does not require any prepayment. And this says a lot "Australian essay on time" is 100% sure of the quality of its work.

Fifth, anonymity: the service does not disclose the name of its customers, so do not worry that the teacher learns that the essay is not done independently.

Sixth, round-the-clock service. In case of questions, the student can contact technical support, which will answer the question at any time. This is very convenient, especially if you live in a different time zone.
